

# **Geology & Geophysics in Industry**

## **4 Hour AGENDA**

**Day 1** either morning with a lunch break or afternoon (1:00 to 5:00)

Lecture 2 – Basics of Prospecting	8:00
Exercise 3 – Play Adequacy	8:30

Lecture 9 - Overview of Seismic Interpretation	9:05
--	------

Break	9:45
-------	------

Exercise 11a – Interpreting a Seismic Line	10:00
--	-------

Lecture 14 – Prospect Analysis (part 1)	11:00
Exercise 14 – Estimating Volumes of Oil	11:10

Lecture 14 – Prospect Analysis (part 2)	11:30
---	-------

ADJOURN	12:00
---------	-------
